## About

**Dr. Ben-Porat** meets every year with the icnext students in Israel, and his discussions are always the most engaged sessions on our mission. He visited Cleveland few years ago as a Siegal College scholar and received great reviews. Born in Israel (1967), he studied at Tel-Aviv University and Johns Hopkins University (Ph.D. in Political Science). In his first book ***Global Liberalism, Local Populism; Peace and Conflict in Israel/Palestine and Northern Ireland***, he explored the peace process in Israel and Northern Ireland. His latest book engages with processes and dilemmas of secularization in contemporary Israel.

- How do we relate to our territory? Where are our borders?
- Who should we allow to cross them?
- Can we exploit our land or only sustain it?
