**Hello everyone!**

**My name is Yuval Avrahami and I will be one of the shinshinim in Cleveland next year! Before I meet you all I want to share a little bit about myself.**

**I'm 18 years old and I live in Rehovot which is a city located in the center of Israel. I study at "Katzir" high school and major in Chemistry and Biology.**

**In my family we are five. My mother's name is Dikla and she is the Director of a Psychological Service. She is loving, caring and people says that we have the same warm character. My father's name is Gilad and he is an economist. He is funny, cooks delicious food and we are very similar in the way we look. I also have 2 brothers. The oldest one is Ohad, he is 21 years old and was released from the army recently. He is very funny, and likes to be with family and friends. My youngest brother is Omri, he is 13 years old and in the 7th grade. We have a lot of quality time together in which we bake, watch**

**movies and take the family dog Keshet for walks. Keshet is an inseparable part of the family. I love my family and I'm very close to them. We like to have family dinners, travel in Israel and sit down and talk with each other on our porch with our Saturday morning coffee.**

**I like going to the scouts in my town and I have been involved there since 6th grade. I became a counselor in 10th grade and I like my students and the friends I made there very much. I like to dance in a variety of styles such as classic, modern, jazz and pointe shoes. I have been dancing from the age of 4 until the 10th grade in a dance company. I love to spend time with friends and especially go with them to Palmahim Beach, which is one of my favorite places in Israel.**

**I also took part in the leadership program "Young Ambassadors" which develops leadership skills among Israeli youth, and connects with Jewish youth around the world. As part of the program we flew to Georgia where I learned a lot and met amazing new friends.**

**Hope you learned a bit about me and I can't wait to meet you all in Cleveland!**

**See you soon,  
Yuval**
