2020-21 Cleveland Shin Shin

Hi everyone!

My name is Ido Margalit and I am going to be a ShinShin in Cleveland this year.

Before I will meet you, I would like to tell you a little bit about myself.

I'm seventeen, and I live in a small Moshav in the north of Israel called K'far Baruch. A moshav is a special kind of village in Israel and is similar to a kibbutz. My moshav is one of the oldest, and was established in 1924. My family owns a meshek, which is fields of corn,

wheat and barley. I love living on my moshav and working in the fields.

I have a small family. I have one younger sister Ziv, who is 15 years old and I have another younger brother from my father's second marriage. My father, Moran, is a judge and my mother, Avital, is a medical doctor.

In my free time I am always busy. In high school my majors were physics and computer programming. In addition, I love sports - I have played water polo for five years, I love to snowboard and ride horses.

Because I live on a moshav we have a lot of fields so I work in the fields almost every day - this is one of the best parts of my day!

I am so excited to be coming to Cleveland and am looking forward to meeting you all. I am sure that even with the coronavirus we will have an amazing year together!

Can't wait to see you,

Ido Margalit
